Pat Munger Construction Company, Inc. has proudly maintained a long-standing and highly positive business relationship with Evergreen Woods, A Life Care Retirement Community, located at 88 Notch Hill Road, North Branford, CT. Since 1999, Munger Construction has been a trusted partner, delivering a comprehensive range of construction services tailored to meet the evolving needs of the community. Our projects have spanned from smaller, maintenance-driven tasks to large-scale initiatives, underscoring our versatility and commitment to excellence.

Build The Best - Be The Best

Partnerships for Success: Evergreen Woods

Key projects have included significant common area upgrades, the creation of specialized medical clinics, comprehensive apartment refreshes and renovations, and the development of a dedicated Alzheimer's wing with state-of-the-art residential facilities. Each of these efforts reflects our dedication to ensuring that Evergreen Woods remains a premier destination for high-quality senior living.

Our team collaborates closely with the maintenance and construction staff at Evergreen Woods, providing valuable support to ease their in-house workload. This enables Evergreen Woods' staff to focus on their core mission—attending to the day-to-day needs of their residents. Munger Construction takes on full apartment turnovers for multiple units, ensuring that the community consistently offers modern, high-end living spaces that cater to the evolving preferences of seniors seeking a comfortable, well-appointed lifestyle.

Through our partnership with Evergreen Woods, Pat Munger Construction is proud to contribute to the community's ongoing success and to support its mission of providing exceptional care and living environments for its residents.
