Munger Construction and Lumibility, formerly SARAH Inc., have forged a strong partnership over the years, collaborating on multiple projects aimed at enhancing the quality of life for individuals with disabilities in the Greater New Haven and Shoreline areas. Lumibility and Munger have seamlessly combined their expertise to create impactful community service solutions.

Their collaboration extends beyond the completion of the 10,000-square-foot "flex space" project at 1 Commercial Street in Branford. Munger Construction's dedication to excellence and attention to detail ensured that the facility met Lumibility's specific needs and exceeded expectations. This space not only provided Lumibility with the necessary room to accommodate its expanding programs but also served as a beacon of inclusivity and accessibility within the community.

Build The Best - Be The Best

Success Story: Lumibility

The success of this project is a testament to the shared values and commitment to excellence shared by Lumibility and Munger Construction. Through their collaborative efforts, they have made significant strides in improving accessibility to spaces for staff and individuals with disabilities, fostering a more inclusive and compassionate community for all.

Furthermore, Munger and Lumibility have a history of successful partnerships on various projects, each contributing their unique strengths to achieve outstanding results. From designing accessible facilities to implementing innovative programs, their collaboration has had a lasting impact on the communities they serve.

Together, they continue to pave the way for greater inclusivity and accessibility, setting a standard of excellence for community service providers and construction companies alike.
