

Can Connecticut's New Solar Program Help You Achieve Your Business Goals?

TAKE ADVANTAGE OF THIS ROBUST PROGRAM.

Non-Residential Renewable Energy Solutions

NRES is an incentive program that can help offset the cost of electricity if you currently purchase from an electrical company or generate income for your property by selling power back to the utility.

Ideal For: Facility owners or property managers with a rooftop space whether it is tied to a tenant load or not.

NEW OPPORTUNITIES FOR BUSINESS OWNERS AND PROPERTY MANAGERS

Why Choose Munger?

Navigating these programs can be complex, but our team is here to help:

- Expert Guidance: We'll simplify the application process and maximize your benefits.
- Turnkey Solutions: From consultation to installation, we manage it all.
- Proven Success: Join other businesses who've saved with our expertise!

Upcoming Deadlines

Annual solicitations typically take place in February and August. Early preparation is essential to secure your spot. Schedule a free consultation by filling out the Contact Us form on our website to learn how this program can support your business goals.
